Lobster 33

Lobster 33, sportski i elegantan brod, nadahnut brodovima nastalim pedesetih godina XX vijeka u SAD, namjenjenim za lov na jastoge. Ističe se inovativnim dizajnom, opremljenošću, odabirom materijala i izvanrednim plovnim osobinama.

Lobster 33 je dostupan u dvije verzije, kao luksuzna jahta ili taxi brod.

Svaki brod je unikatan, izbor motora, materijala za interijer, navigacijske opreme pa sve do boje broda ovisi isključivo o željama i zahtjevima klijenta.

Na Vama je da odlučite koji motor želite, unutrašnji ili vanjski, električni ili hibridni pogon.

Lobster 33 is a sporty and elegant boat, inspired by the 1950's creation of the American lobster boat. With **Lobster 33**, the emphasis is on its innovative design, equipment, material selection and excellent navigational characteristics.

Lobster 33 can be fitted as a luxury boat or a boat taxi.

Each Lobster 33 is unique - we provide our clients with wide range of options and work together with our clients to meet their individual requirements, from the type of engine and navigation equipment installed to interior materials used and the color of the boat exterior.

For each version, our clients can select inboard or outboard engine, electric or hybrid drive.
