Tranquility Trawler

Izgrađen za plovidbu na veće udaljenosti **Tranquility Trawler** se odlikuje velikom autonomijom i jedinstvenim životnim prostorom što ga čini idealnim izborom za sve one željne istinskog krstarenja.

Dostupan je u dvije verzije: sa dvije i tri kabine

Svaki brod je unikatan, izbor motora, materijala za interijer, navigacijske opreme pa sve do boje broda ovisi isključivo o željama i zahtjevima klijenta.

Na Vama je da odlučite koji motor želite, unutrašnji ili spoljni, električni ili hibridni pogon.

Built for navigation over long distances **Tranquility Trawler** is characterized by high autonomy and unique living space that makes it the ideal choice for those who want a true cruise.

Available in two versions: with two and three cabins

Each **Tranquility Trawler** is unique - we provide our clients with wide range of options and work together with our clients to meet their individual requirements, from the type of engine and navigation equipment installed to interior materials used and the color of the boat exterior.

For each version, our clients can select inboard or outboard engine, electric or hybrid drive.
